Gift Aid allows us to claim back 25p of tax for every £1 you give, making your donation go further. Please note that we will only be able to claim Gift Aid on your donation if you, the sponsor, complete all the details below, including details of your home address. We can accept house number and postcode as a minimum, but it must be your home and not your work address.

If I have ticked the Gift Aid box I want to Gift Aid my donation and any donations I make in the future or have made in the past 4 years, to CAfS. I am a UK taxpayer and understand that if I pay less income tax or capital gains tax in the current tax year than the amount of Gift Aid claimed on my donations it is my responsibility to pay any difference. Gift Aid is claimed by CAfS from the tax you pay for the current tax year.

Add your email below to be kept informed about CAfS climate work and events and other ways you can get involved. You can unsubscribe at any time. We'll keep your details safe and won't share them with any other organisations. For full privacy information see www.cafs.org.uk/about-cafs/cafs-privacy-policy/
